

## FISD finalizes Sonntag zone

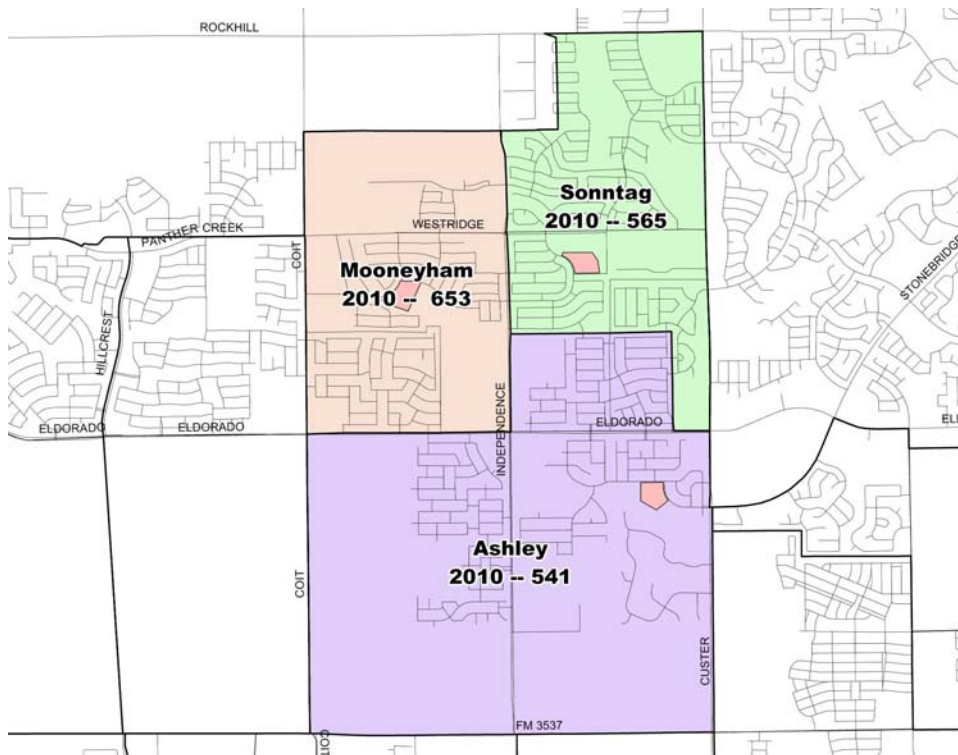

At the regular meeting of the FISD Board of Trustees on Monday, December 14, members approved the recommended zone for Sonntag Elementary, scheduled to open in the 2010-2011 school year.

The final zone differs slightly from the original draft zone. The Reserve at Westridge area will stay in Mooneyham at this time, allowing Sonntag to open a bit smaller. These zones will hold for some time. An additional elementary site is located northwest of the Reserve and will most likely be the future home of that neighborhood.

**Sonntag Elementary**, located at 2001 Reagan Drive in McKinney, is projected to enroll 565 students in the fall. The neighborhoods proposed to attend Sonntag are as follows:

*Eagle's Nest*  
*Fairways North at Westridge*  
*Fairways West at Westridge*  
*Greens of Westridge*  
*Martha's Vineyard*  
*Russwood Acres*  
*Summit at Westridge*  
*Villas at Westridge*  
*Winding Creek Estates*  
*Westridge on the Fairways*  
*Windsor Meadows*

**Mooneyham Elementary** will remain the school to *Heights at Westridge, The Reserve at Westridge and Villages at Willow Bay.*

**Ashley Elementary** would remain the school for students in the following neighborhoods:

*Custer Creek Farms*  
*Frisco Heights*  
*Sorano*  
*Stonelake Estates*  
*Stonelake Estates West*  
*Villages at Willow Bay South*  
*Villages of Stonelake Estates*  
*Rural areas north of FM 3537 to Eldorado Pkwy., east of Coit Rd. to Custer Rd.*
