Dear LHS Student,

Your high school years are among the most important times of your life! During your high school years, you will accumulate memories that will last a lifetime. Many of these memorable events, such as Senior Prom are not included in the school budget and must be paid for by the student body. For this reason, beginning this year we will assess "class dues" to all LHS students. Your class dues will be used to cover traditional noninstructional school-related activities, not included as a part of the school budget. Class dues are payable in three \$25 annual payments during your Sophomore, Junior and Senior years, totaling \$75.

For the members of the Class of 2009, you may remember we did not assess the \$25 fee to Sophomore students during the 2006-2007 school year (last year). As a result, the payment schedule for members of the **Class of 2009** is as follows:

Sophomore Year (2006-2007) - \$0

Junior Year (2007-2008) - \$50

Senior Year (2008-2009) - \$25

Total Class Dues: \$75

For members of the **Class of 2010 and beyond**, your \$25 class dues will be assessed annually as follows:

Sophomore Year - \$25

Junior Year - \$25

Senior Year - \$25

Total Class Dues: \$75

Class dues are due no later than the last Friday in October each year. Please be sure to pay your class dues on time. Payments can be made in the AP Office. Checks should be made payable to Liberty High School. Be sure to write the student's name, ID# and "Class Dues" in the memo line of your check.

If you have any questions, please feel free to speak with your Counselor or Assistant Principal.

Sincerely,

LHS Administration
