1. Conduct and Attendance at Extracurricular Activities/Events

Students attending athletic contests and other school events are reminded that all school policies apply even though the event is outside the school day and may occur off campus. Students are expected to display good sportsmanship at all times, treating game officials, opposing team members and visitors with courtesy and respect. Students are expected to be supportive of the High School participants and are not to direct negative or harassing behavior at our competitors or at game officials. Students are expected to comply with instructions and requests from any FISSD administrator and/or staff member in attendance at the event.

When attending contests or other events at other schools or off campus, students are expected to conduct themselves in a way that will reflect positively on their High School and Frisco ISD. Students are expected to comply with instructions or requests from administrators or other staff members of the school at which the contest or event is being held. Students that fail to meet these standards could be removed from the event, will face disciplinary actions and may be prohibited from attending future contests or events.

FCCLA will have its first meeting of the year on Monday September 13 at 4:15 to elect new officers and plan the school year in H109. Anyone who has taken a Family and Consumer Science class can join. If you have any questions please see Mrs. Kaufman in H109.

Congratulations to the 9A, JV, and Varsity volleyball teams for their wins over Little Elm. A big thanks to the student crowd who came over and supported. The girls start district play on Friday against Liberty at their gym. The varsity will play at 5:30. Come support these girls in their quest for a district championship.
